Addison-Wesley Professional Ruby Series

## THE ADDISON-WESLEY PROFESSIONAL RUBY SERIES

was launched this Summer 2006, with Obie Fernandez as Series Editor. The Series will represent the world's most robust library of Ruby reference material for professional software developers.

SERIES EDITOR:

OBIE FERNANDEZ has more than 10 years of professional consulting and product development experience. A senior consultant at world-reknown Agile consultancy ThoughtWorks, Obie is leading that firm's global charge into Ruby and Rails advocacy and project delivery. Since pledging to support Ruby on Rails in early 2005, ThoughtWorks teams have put several Rails solutions into production for their clients and are steadily gaining recognition as the world's best enterprise Ruby consultants. Obie is also the Ruby community editor at one of the web's premier technology portals, InfoQ.com.
